Fresh Produce Packaging

Package your produce in your facility and outside in the field

Our packaging experts will help you cut down your labor costs, lower your transportation costs, and reduce spoilage with efficient packaging systems near or actually out in your harvest.

A Wide Range of Produce Packaging

Improve your produce packaging efficiency from bulk to retail

For more information, call us at 888-318-0083 and visit ProPac.com

Retail Materials for Your Fresh Produce

Protect your produce with beautiful retail packaging

Vertical Form Fill & Seal Films

Perfect for loose flowing food packaging.
Side-gusset, pillow, fin seal and lap seal bags.

Flow Wrap Films

Made for single and multi-pack food products.
Package fresh produce with or without trays.

Sealed Trays and Lid Stocks

Ideal for delicate fresh produce retail products.
Printed or unprinted film lid stock.

Stand-Up Pouches

Designed to protect and present retail products.
Brilliant retail graphics for strong shelf presence.

Ideal for Modified Atmosphere Packaging (MAP)

Maximize efficiency, reduce spoilage, increase distribution
