Orion Stretch Wrappers

Reliable pallet wrappers to secure any pallet load

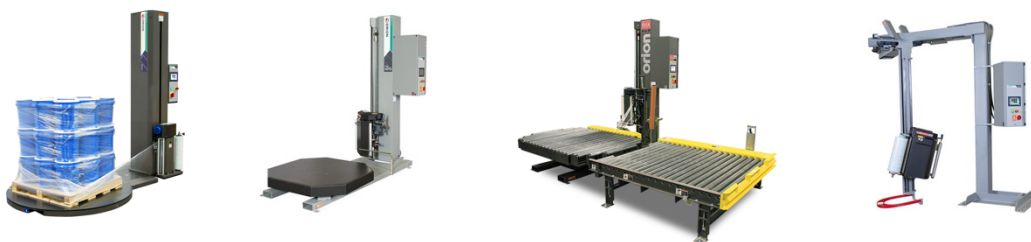

Orion Turntable and Rotary Arm Stretch Wrappers

Orion manufactures a wide range of durable, rugged, and highly reliable semi-automatic and fully-automatic turntable, rotary tower, and orbital stretch wrapping machines.

Orion utilizes high-quality components, state-of-the-art electronics, and heavy-gauge structural steel to provide flexibility, reliability, and performance.

Dependable Pallet Wrappers

Reliable stretch wrapping flexibility and efficiency year after year
