Wulftec Rotary Arm Stretch Wrappers

World class automatic and semi-auto rotary arm pallet wrappers

- Since the pallet load remains stationary, these rotary arm wrappers are ideal for wrapping very light, very heavy, tall and unstable loads
- Trouble-free performance load after load, year after year
- Reliable, durable, all-steel machines have no proprietary parts
- Wulftec offers the best warranties in the industry

Broad Range of Superior Pallet Wrappers

Maximize pallet wrapping throughput meet your highest rates
