Clamshell Packaging

Custom and stock clamshell provide appealing, secure retail packaging

Improved Sell-Through

 Products displayed in a clamshell package sell 4x better than the same product in other packaging

Increased Protection

 Low-cost packaging provides high-value shelf appeal

Adaptable to Retailer Demands

• With a custom clamshell package, one package can either stand on a shelf or hand on a peg

Stock & Custom Clamshells

• Tooling for a thermoformed clamshell can be a stock design or a fully-custom clamshell

High Security Packaging for Your Product

Strong retail packaging for powerful retail presence
