## Compact Cartoner Designed for Pharmaceutical, Cosmetic, and Personal Care Products

The Adco MBC compact cartoner is designed to meet the demands of pharmaceutical, cosmetic, personal care industries that need to automatically erect, load and seal small horizontal end load cartons.

Featuring a compact footprint, efficient multi-head rotary carton feed design and full length Lexan barrier guarding, the MBC is ideal for space-constrained and demanding production environments.

Along with its continuous motion design and reliable side shifting bucket design, the MBC comes standard with swing away overheads, a horizontal powered carton magazine and digital indicators on all adjustments.

The simple-to-operate, ergonomically friendly and easy to maintain MBC is the perfect addition to your packaging line.

Like all ADCO machines, the MBC is available in both standard and washdown configurations.
