## Checkweigher for Larger Items

The Ishida DACS Large Product Checkweigher is designed for large products, such as cardboard boxes and blocks of meat.

Modified to handle larger scale products, the Ishida DACS Large Product Checkweigher provides the same accuracy and reliability for counting and weighing as Ishida standard checkweighers.

## Features and Benefits

- Weighing capacity for products of up to 60 kilograms.
- Best processing capacity in its class, identifies defective products, and detects weight anomalies.
- Designed to be sanitary, easy-to-use and highly versatile, equipped with the same software as small and medium-scale checkweighers.

Please [contact Pro Pac](#) or call 888-318-0083 for your check weighing equipment.
