Call us at 888-318-0083

Many options are available. Complete details will need to be finalized to determine requirements and final system costs. Work with your Pro Pac representative to build this machine to your specifications.

## Sort Bottle Caps from Large Bulk Hopper

Inline Filling Systems fully-automatic large-capacity bottle cap bulk elevator feeder utilizes a floor level 5+ cubic foot cap bin that is designed to feed various cap sorters.

## Features

Floor level cap bin eliminates the need for ladders to reach elevated cap feeders.

Stainless steel construction.

Cap on demand sensor initiates cap feeding as needed.

Discharge height of sorter is adjustable from 72" to 96".

Cover for cap bin is available at additional cost.

Please [contact Pro Pac](#) or call 888-318-0083 for your liquid filling equipment.
