## Pricing

Call us at **888-318-0083**

Many options are available. Complete details will need to be finalized to determine requirements and final system costs. Work with your Pro Pac representative to build this machine to your specifications.

## Simple-to-Use Table Top Impulse Bag Sealer

APM ATS-IMP-1/8 and 5/16 table top impulse sealers are designed to seal loaded bags of a wide range of products including: food, candy, paper goods, textiles, poultry, bakery, toys, crafts, garden, pet supplies, decorative, automotive, electronics, jewelry, mailroom, parts kits, and many more. Simply load the bag, place the bag on the front tray, and depress the foot-switch to activate the sealing bar.

## Features of the ATS-IMP-1/8-16

- Impulse sealing with 1/8" or 1/4" wide seals without trim
- Adjustable dwell timer, impulse timer, and cooling timer for sealing different thicknesses and materials
- Adjustable front feeder tray
- Foot pedal start switch
- Heavy gauge welded and painted steel construction

## Features of the ATS-IMP-5/16-16

- Seals and trims polyethylene film only
- Smokeless and odorless 1/8" wide trimmed seal
- Preheat design, no warm up time required
- Scrap removal and scrap net
- Adjustable dwell timer, impulse timer, and cooling timer for sealing different materials
- Adjustable front feeder tray

Foot pedal start switch

Heavy gauge welded and painted steel construction
