Many options are available. Complete details will need to be finalized to determine requirements and final system costs. Work with your Pro Pac representative to build this machine to your specifications.

Quickly Count & Load Trays

The Rennco TCL Tray Counter & Loader is perfect for companies looking to increase production rates. The TCL receives product from trim presses and manufacturing lines of both foam and rigid plastic products. The speed on the TCL Tray Counter & Loader is proven to run consistent with the output of most thermoformers.
