Many options are available. Complete details will need to be finalized to determine requirements and final system costs. Work with your Pro Pac representative to build this machine to your specifications.

## Reliable Entry-Level Automatic L-Sealer with 25" x 30" Seal Area

Eastey has been a leader in the shrink packaging industry for over 25 years. Eastey Automatic L-Sealers offer the durability and functionality required to efficiently handle a variety of shrink applications.

Eastey's Value-Series Automatic L-Sealers are designed for entry-level and intermediate production that require simple operation, small footprint, or a limited budget. These automatic shrink machines will handle the day-to-day demands required for automatic sealing.

Proven reliable, these intermediate level Eastey Automatic L-Sealers provide you with all the quality features found in much higher priced machines. They are designed and built to give you all the performance features needed for positive sealing a wide variety of films including polyolefin, polyethylene, and PVC.

## Standard Features

- Designed to seal most polyolefin, polyethylene, and PVC shrink films
- All-welded main frame from 12 gauge steel
- Normal speed infeed and outfeed conveyors
- High-speed with product indexing

Motorized seal height adjustment for various product sizes  
 Seal head equipped with pneumatic air cylinder for automatic sealing  
 Hot knife seal bar for consistent and clean seal  
 Consistent pressure across seal bar  
 Automatic cycle timing with adjustable dwell time  
 HMI controller with simple menus for easy operation  
 Film tracking wheels keep film in place  
 Multiple pin perforator provides precise air evacuation  
 Heavy-duty casters for transportation within plant  
 Leveling legs provide sturdy base once in place  
 25"W x 30"L seal area  
 Scrap unwind automatically wraps up the scrap film left from the sealer  
 Easy-to-use design requires minimal training and maintenance  
 Maximum film width up to 25"  
 Maximum film roll OD up to 12"  
 80 psi  
 Available in 220v
