Many options are available. Complete details will need to be finalized to determine requirements and final system costs. Work with your Pro Pac representative to build this machine to your specifications.

Stretch Wrap Windows and Doors Quickly and Efficiently

Orion window and door wrapping equipment is able to wrap one or several products quickly and efficiently, protecting your products with this versatile stretch wrapping machine.

Orion door and window stretch wrapping equipment helps your products get to market in pristine condition. According to your specific size and weight and throughput requirements, Orion can customize a wrapping system to meet your goals, reduce your packaging costs and assure that your customers receive your products in the same condition you shipped them.

Orion door and window wrapping systems can utilize a wide variety of configurations including turntable models, conveyORIZED models, and orbital (horizontal) models.

Please [contact Pro Pac](#) or call 888-318-0083 for your stretch wrapping equipment.
