Many options are available. Complete details will need to be finalized to determine requirements and final system costs. Work with your Pro Pac representative to build this machine to your specifications.

More Name Recognition with a Banner Around Your Pallet Loads

Designed with versatility and reliability in mind, the Wulftec WCLW Conveyorized Logo Wrapper applies a printed banner that displays your company logo or a message around the perimeter of the load. Give your customers important information, and give your company more name recognition.

The Wulftec Logo Wrapper can easily be integrated into existing, lines, new lines, or be used as a standalone unit off the production line.

Please [contact Pro Pac](#) or call 888-318-0083 for your stretch wrapping equipment.
