Many options are available. Complete details will need to be finalized to determine requirements and final system costs. Work with your Pro Pac representative to build this machine to your specifications.

Produce Ice Blankets

The General Packaging Equipment 30X10 special application machine produces multi-pocket ice blankets up to 30" (76 cm) wide by any length.

It can also be configured to make multiple four side seal pouches per cycle.

Please [contact Pro Pac](mailto:solutions@propac.com) or call 888-318-0083 for your vertical form fill seal bagging equipment.
