Pricing

Call us at 888-318-0083

Many options are available. Complete details will need to be finalized to determine requirements and final system costs. Work with your Pro Pac representative to build this machine to your specifications.

Precise Package Movement

Ohlson Packaging manufactures a variety of indexing conveyors. These conveyor systems create precision movement of bottles, jars, clamshell containers, trays, and boxes in combination with fillers, flow wrappers, and other aspects of the packaging process.

Features

- Stainless steel belt
- Food grade plastic belting
- Automatic PLC controls for container stop-fill-release
- Tool-less quick adjustment rails
- User-friendly touchscreen
- Multiple standard lengths and styles

Options

- Locking casters
- Check weigher
- Metal detector

Power

Electrical: 5A 220VAC 3ph @ 60 HZ

Please [contact Pro Pac](#) or call 888-318-0083 for your weighing, filling, and counting equipment.
